Picture the Police at local gallery

The party to celebrate Police guitarist **Andy Summers**'s photography at Newbury Fine Arts promises to be a good time. Word is **Sting** and **Stewart Copeland** both may show up at the exclusive shindig, which will take place at the gallery before the first of the band's two Fenway affairs. (At a similar exhibit in LA, the trio all turned out.) Summers's black-and-white pics, published in a book titled "I'll Be Watching You," capture the band playing and partying in its heyday. Also invited to the July 27 soiree is Oscar-nominated filmmaker **Brett Morgen**, who's making a movie based on Summers's memoir "One Train Later."
